## The 'Live' date for the new cashless system is 27<sup>th</sup> June 2016

As the 'Live' date for the new Biometric cashless system is imminent, we require the consent of a least one parent in order that the biometric information of «Forename» can be processed. Please be assured that this information remains within the school and that the biometric information taken is an algorithm and not the actual finger print.

If you choose not to have «Forename» registered in this way, the school will provide an alternative method of identification which would be a 4 digit PIN code. The preference of the school is to use biometrics as this is a faster and more secure method.

Please complete and sign the consent form below and return to Student Services no later than Friday 27<sup>th</sup> May 2016.

Yours faithfully

**Mr S Robinson**  
School Business Manager
