Dear Parent/Carer

Geography Revision Guide

As the trial exam season approaches students should begin revision for their Geography trial exam. They will sit two trial exams, although in the summer they will sit three exams. For the trial exams the topics students need to revise are:

Paper 1: Living with the physical environment
Section A: The challenge of natural hazards
Section B: The living world
Section C: Physical landscapes in the UK

Paper 2: Challenges in the human environment
Section A: Urban issues and challenges
Section B: Fieldwork and Geographical skills

Revision checklists will be given to students so they are clear on the content they need to cover for each topic. Whilst students' Geography exercise books should form the basis of this revision some students may still wish to purchase a revision guide in order to support their own notes.

The revision guide the Department offers is:

New Grade 9-1 GCSE Geography AQA Complete Revision & Practice (with Online Edition)
(ISBN: 978 1 78294 613 7)
School only price of £5.50 (normal retail price £10.99)

This price is the 'school only' rate and offers better value than purchasing the same revision guide elsewhere. Should students wish to purchase the guide please use the online payment system by the 28th September 2018.

If you have any queries regarding GCSE Geography, please do not hesitate to contact me at school. May I take this opportunity to thank you for your support and wish each student every success with the trial exams.

Yours faithfully
