28th September 2018

Dear Parent/Carer

A Level Physics Enrichment Trip – Wednesday 14th November 2018

Science Live is an exciting day specifically designed for A Level Physics students. It provides an opportunity to listen to some famous scientists who are working at the cutting edge of their specialism. Physics Science Live is on 14th November 2018 at Friends House, Euston Square, London.

The Scientists speaking are: Professor Jim Al-Khalili – Theoretical Nuclear Physicist
Professor Frank Close – Nuclear Physicist
Dr Michael Brooks – Science Author and Journalist
Dr Helen Czerski – Physicist, Oceanographer, Broadcaster and Author
Dr Suzie Sheehy – Physicist

There will also be a talk from a specialist Physics A Level examiner on exam technique.

We will travel to London by train leaving Hemel Hempstead railway station at 9.30am and will return by 4.30pm. If you give permission, students do not have to travel back with us and may stay in London longer. Students must bring a packed lunch.

The cost of the trip is £35.50 which includes travel, ticket and insurance.

If you would like your son/daughter to attend, please return the slip below and pay through the online system to secure a place. Payment needs to be made by Friday 26th October.

If a student will miss a Music lesson due to a school trip/event it is vital that they inform their instrumental Music teacher at least two weeks before in order to avoid the lesson being forfeited.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mrs G Williams
Science Faculty (Physics)

✂.....

Please return this slip to Student Services

Letter 30

A Level Physics Enrichment Trip – 14th November 2017

Name of student: Form :

- I have paid £35.50 via the online system
- I give permission for my son/daughter to stay in London
- I would like my son/daughter to return to Hemel Hempstead with the teachers
