Letter 31

28th September 2018

Dear Parent/Carer

Year 10 GCSE Maths Revision Material

To aid revision for GCSE exams, the Maths Faculty always offers the opportunity for Year 11 students to purchase revision materials. We feel it would be useful to offer these discounted products to our Year 10 students as well, so they can use them to support their learning throughout the course.

The resources we are offering at this time are detailed below and are not essential, as the students already have external support with www.HegartyMaths.com and www.MyMaths.co.uk. We make these resources available to buy as we can offer those interested quite a saving as opposed to you buying them as individuals.

Please note that the deadline for purchases is Friday 13th October.

CGP Revision Guide

This contains concise, student-friendly explanations of every topic, backed up with plenty of step-by-step examples, plus grade information (on the 9-1 scale) to show the difficulty level of each topic. There are also exam-style questions on almost every page, with answers included at the back. They are available for £2.50 per book (RRP £5.95) and there is a free demo online at <http://bit.ly/2xLg010>.

Corbett Maths Revision Cards

Ninety detailed, ready-made, engaging Revision Cards for each topic in either tier by Corbettmaths.com. Each card has its own set of GCSE exam questions and solutions and links to an instructional video for further information. The cards are postcard size and printed to a high quality. Students have been shown these in lessons to allow them to see their use as flashcards. Purchasing as a school means we can offer them at their cost price of £6.25 (RRP £8.95).

CGP Exam Practice Workbook

Packed with realistic exam-style questions for every topic and organised by topic. There are grade stamps to indicate the difficulty level of each question, plus complete step-by-step solutions (with a full mark scheme) at the back of the book, so it's simple for students to check and correct their work! The CGP workbook also costs £2.50 (RRP £5.95). Please note that during Year 11 we provide the opportunity for Practice Paper packs to be bought, which also give students exposure to exam questions.

Please access the online system Agora to pay in the online shop: CGP Revision Guide £2.50, CGP Exam Practice Workbook £2.50 and Corbett Maths Revision cards £6.25. We no longer accept cash or cheques. In exceptional circumstances payment may be made over the phone by card.

Should you need for further information on any of the above products then please contact your child's Maths teacher or myself.

Yours faithfully

Mr C Collard

Key Stage 4 Co-ordinator for Maths
