7th September 2018

Dear Parent/Carer

Support for Sixth Form students considering Higher/Degree Apprenticeships

Thank you to those of you who have confirmed their son or daughter would like to attend this session. If there are any other students who would like to attend, please let me know by Tuesday 11th September, using the parentmail email address above.

We will be holding a Higher and Degree Apprenticeship Applications workshop on Wednesday 26th September. This will be run in conjunction with a representative from Amazing Apprenticeships who work with schools to inform and inspire students about the opportunities available, and our Enterprise Advisor from BAM Construct.

A number of topics will be covered including:

- The apprenticeship process and how this differs from UCAS
- The newest recruitment techniques employers are using
- What happens on an applicant assessment day?

This will be an interactive event with a lot of useful information about how apprenticeships work and how they can be a viable alternative to university.

Yours faithfully
