5th October 2018

Dear Parent/Carer

**Year 10 Post-16 presentations
Tuesday 16th October Periods 2 and 3**

With GCSE courses now having started, some students will be thinking about their post-16 options and the different pathways open to them. With this in mind, we are running a number of presentations to give students information.

On 16th October in Periods 2 and 3, there will be talks about the courses running at Oaklands Further Education College, life as a student at the University of Hertfordshire, what an apprenticeship can offer and the experience of studying in the Sixth Form at The Hemel Hempstead School.

We hope these presentations will give students the opportunity to hear about choices available to them in order that they can make an informed decision.

Later in the year, students will be able to have a careers meeting with one of our Youth Connexions (YC) Personal Advisors who will help with decisions about future plans.

Please let me know if you have any questions.

Yours faithfully
