Letter 47

12th October 2018

Dear Parent/Carer

Changes to the A Level Physics Enrichment Trip – Wednesday 14th November 2018

I have recently been informed that due to circumstances beyond our control, the venue for the A Level Physics enrichment trip to Science Live has been changed and it will now take place at The Piccadilly Theatre, 16 Denman Street, London, W1D 7DY.

This is unfortunate, as our journey will now involve a return trip on the tube from Kings Cross to Piccadilly and therefore the purchase of travel cards will be necessary. We are still hoping to be able to complete the journey off-peak and will endeavour to get back to Euston by the 4pm deadline. Our time constraints will be very tight, however, as the event finishes at 3.30pm.

In light of this, we regret to have to ask you for another £13. This includes £3.50 to cover the extra cost of the travel card and £9.50 to cover the cost if we do not meet the off-peak deadline of 4pm. In the event that we return to Euston in time, £9.50 will be refunded to you. Please could you make your additional payment by Friday 26th October, via the online system. We will now return to Hemel Hempstead between 4.30 and 5pm.

I apologise sincerely for any inconvenience caused and hope that you will still be able to support the trip.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'G Williams'.
