Letter 50

19th October 2018

Dear Parent/Carer

Year 7 Maths Parent Student Workshop

The Mathematics Faculty will be running a **Year 7 Maths Parent Student Workshop** at The Hemel Hempstead School for Year 7 students on Tuesday 6th November. The evening will begin at 6.25pm, will last approximately an hour and five minutes and will be held in the main hall.

Parents and Carers will have the opportunity to get a feel for how Maths is taught at The Hemel Hempstead School, a rundown of what your child will be studying in their first year and information on how to best support your child at home with the subject. If you are able to attend please bring along your child so you can work together on some fun Maths problems.

Please complete the reply slip below and return to your child's Maths teacher by Thursday 25th October.

We look forward to working closely with you in the mathematical development of your child.

Yours faithfully

Mr J West
Key Stage 3 Coordinator
Mathematics Faculty
