Dear Parent/Carer

**Year 9 Students – Canterbury Christchurch University Taster Activity
Wednesday 7th November - Periods 3 and 4**

I am writing to inform you that your son/daughter has been selected to take part in an activity run by the student outreach team from Canterbury Christchurch University.

The 'More Than One Direction' workshop has been created for Year 9 students considering their options for GCSE and beyond. Students work in teams as they discover what pathways are open to them which will enable them to consider what might suit them in the future. University is not the only option so there is also information on taking a Higher Apprenticeship or working full time from the age of 18. The aim is to encourage students to think about the kinds of choices and decisions they will have to start making as young adults, with a workshop that is both interactive and fun.

Students should come to IT2A immediately after break so the activity can start promptly.

If you have any queries or require any further information, please do not hesitate to contact me.

Yours faithfully
