Letter 68

9th November 2018

Dear Parent/Carer

Year 10 BAM Construction Work Experience Portal Testing

All Dacorum schools have an enterprise advisor who supports and helps develop the school's careers programme and we are very fortunate in having an excellent advisor who works at BAM Construction, a leading building company who design, construct, refurbish and manage properties both in the UK and abroad.

They have asked if ten students would be interested in taking part in a live test of their new work experience portal. This will take place on either 28th or 29th November for approximately two hours. During the session students will be walked through the website development process and will spend time testing the website functionality using a clear test script. Students need no prior knowledge of website development, the construction industry or the actual resource.

If your son/daughter would like to be involved with this, please let me know by Tuesday 13th November by emailing parentmail@hemelschool.com.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.

Miss S Bond
Careers Coordinator
