Letter 72

16th November 2018

Dear Parent/Carer

Year 13 Trial Exams, 7th – 11th January 2019

Due to the linear nature of A level exams we are holding trial exams in January.

All trial exams will be held under formal exam conditions in the main hall. Students will only need to be in school for their exams and for lessons, all study periods during the trial exam time may be spent at home if a student wishes. Students must sign in at M9 when on school site for lessons or study periods, and sign out if they have been on site and are going home. It will be assumed that students are off-site for study periods unless they have signed in.

Students will be issued with an exam timetable before the end of term. All the information will also be available outside the Exams Office and on the school website.

Consortium schools will also be holding exams during this time and students will be informed by their teachers of the arrangements in those schools.

The library, sixth form café and empty classrooms will still be available for any students unable to study at home during this time.

This is an excellent opportunity for students to test themselves and prepare useful revision in advance of the exam season in the Summer. Students should ask their subject teachers for details about their exams.

Yours faithfully
