Letter 100

18th January 2018

Dear Parent/Carer

Year 10 Inspirational Careers Talk

There is an opportunity for a small group of Year 10 students to attend a careers talk on Monday 28th January and your son/daughter has been selected to take part.

Mr Jon Sweeney has worked in the TV broadcasting industry for more than 30 years. As a sound engineer in the mid 1980s, he worked on programmes such as Blue Peter, Wimbledon and Later with Jools Holland. After moving to the role of Technical Manager his responsibilities changed to deliver programmes such as Match of the Day, the London Marathon, Sports Personality of the Year and the London Olympics. Jon's career path is not one he originally planned to follow and he wants to pass on what he has learnt about the importance of self-belief and perseverance to young people.

Students should come to IT2A promptly at 8.40am to be registered. The talk will last around half an hour so they will be just a little late for their first lesson.

We hope this will be an interesting and informative talk for students, hopefully inspiring them to have confidence in themselves and their abilities.

Yours faithfully
