Dear Parent/Carer

Year 11 Science Exam Pack

Due to the lack of past papers for the new Science course I have put together an 'Exam Pack' consisting of key information and support for the course and a topic test for every Science GCSE topic covered and required.

The cost of each pack is £2, which is payable through the online payment system. The charge for these packs is to cover photocopying costs, however, if you would prefer to print these pages yourself an electronic version will be made available to students via a GCSE Science Revision Resources folder on the school's Google Drive. It is important students practise writing out answers on an exam paper, rather than just viewing them on a computer screen.

Yours faithfully

A handwritten signature in black ink, appearing to read 'L Smith'.
