Letter 104

25th January 2019

Dear Parent/Carer

Year 12 - Morrisby Online

This term Year 12 students will have the opportunity to talk to either the Head of Year 12, their form tutor or myself about what they might want to do after Year 13 and to discuss what steps they need to take in order to give themselves the best chance of succeeding with their future education and career pathways.

For those students who may need more guidance with future plans, we would like to offer them the opportunity to use Morrisby Online.

Morrisby Online is a career guidance tool that helps students to identify potential career paths and make informed decisions about their study options. Participating students will take a 100 minute online assessment which measures a variety of elements including aptitudes, career interests, work attitudes, talents, motivations, personality and learning styles. Once the assessment is complete, students will have access to personally tailored career and education suggestions, plus a wealth of careers-related resources, all presented on a dynamic and interactive website, to which they have lifetime access. It has the potential to be a valuable aid in your son's/daughter's future decision making about careers and higher education.

We are planning on running this session in school in March and the cost of the subscription to the service is £30 per student.

If you would like your son/daughter to take part, please pay by visiting the following page: <https://app.morrisby.com/p38GCE>. The system is fully secure and all major debit and credit cards are accepted. All payments must be received by: 28/02/2019 23:59:59. Please note, if you are registering for more than one child, you will need to make individual payments.

I am attaching some further information about Morrisby Online.

If you have any questions please don't hesitate to contact me

Yours faithfully

Miss S Bond
