Letter 91

11th January 2019

Dear Parent/Carer

Year 11 Psychometric Testing Workshop 15th and 22nd January 2019

Psychometric tests measure specific abilities, skills, knowledge and attitudes you may have and it is becoming increasingly popular for companies to use these as part of their recruitment process.

To give students an insight into how these tests work, we are running sessions for selected students during one of their PACE lessons in January. Students who have PACE with Miss Lister will have their session on Tuesday 15th January and those who are taught by Miss Benjamin will have their session on Tuesday 22nd January.

The workshop will be led by representatives from OPC Assessment a leading provider of psychometric tests and exercises who work with a number of large organisations including South West Trains, GTR and Serco. Students will hear about the different kinds of testing they could face when applying for work and will be able to take a short practice test which will be marked and the results returned to the student.

We hope this workshop will provide valuable preparation for students when applying for part or full time work, apprenticeships or graduate schemes in the future and give them a greater understanding of the different elements involved in recruitment.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.
