Letter 94

11th January 2019

Dear Parent/Carer

Year 9 Careers Day

On Wednesday 13th February all Year 9 students will have a day off-timetable in order to take part in a number of activities linked to their future, including careers and option choices.

Students will hear career-based talks from outside speakers, take part in an online career-choice programme and join in options-related activities. In the afternoon the students will take part in an interactive event based around the construction industry which will enhance their employability skills including team work, communication and problem solving

The experience of this day will add to the information students will receive from the Year 9 Options Evening on 24th January and the Parent Consultation Evening on 7th February.

It is hoped that this series of Year 9 focused events will enable your child, with your help, to make the right choices for next year.

Please do not hesitate to contact me if you have any queries.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.

Miss S Bond
Careers Coordinator
