Dear Parent/Carer

February Report – Year 10

Please find attached your child's second report this year. You will notice that the information for February Assessment has been completed. This report provides your child's current predicted GCSE grade and their Descriptors of Learning pertaining to Homework, Effort and Behaviour for each subject. I hope this will inform you of their current work ethic. An explanation of the predictions and Descriptors of Learning may be found on the second page of the report.

You will see that current and target GCSE grades for all subjects are a numerical value ranging from 1 (lowest) to 9 (highest) in line with grading of the new GCSEs.

Please note that the target grades on the report are challenge grades calculated from KS2 outcomes. They reflect the level of achievement that we would expect our students to aspire to.

Please discuss the report's content with your son/daughter and think about possible targets for the term ahead. I also suggest that you spend time with them, looking through their work.

If you have any queries or concerns related to aspects of this report please do not hesitate to contact your child's Form Tutor or Head of Year, Ms Evans.

Yours faithfully
