8th February 2019

Dear Parent/Carer

Year 10 BAM Summer School 22nd – 25th July 2019

There is an opportunity for Year 10 students to take part in the Challenge Crest Award in association with BAM Construction this summer. Students will have the opportunity to visit a live construction site, undertake research, plan and design a project and present their proposal. They will develop communication and organisational skills; time management skills, problem solving and working to deadlines. It is also a chance for them to learn about the country's largest industry and gain work experience relating to Science, Technology, Engineering and Maths (STEM) subjects.

To find out more and to apply, please go to:

www.jobs.bam.co.uk/vacancy/summer-school-1377/1403/description

The closing date for applications is 30th April.

Yours faithfully
