Letter 119

8th February 2019

Dear Parent/Carer

Dacorum Rotary Technology Tournament – 14th March 2019

On Thursday 14th March 2019 the Dacorum Rotary Club is holding a Design and Technology Tournament, involving a number of local schools in Dacorum. Following The Hemel Hempstead School's success in past tournaments, we have once again been invited to compete. Students will take part in a 'design and build challenge', working in teams of 4. The overall aim is to allow every student taking part to exercise and develop their designing and making skills, working within a team and time constraints.

I am writing to inform you that your son/daughter has been selected to form part of a team representing The Hemel Hempstead School in this year's Rotary Technology Tournament.

The tournament is to be held at Ashlyns School, Berkhamsted. We will leave The Hemel Hempstead School at 8.40am and will return for 3.30pm. Students will need to wear full school uniform and bring a packed lunch. There is no cost for this trip as travel will be provided by the school minibus to and from the venue.

To confirm your child's attendance to this event, please return the slip below to Student Services.

Yours faithfully

K Oates
