Letter 127

15th February 2019

Dear Parent/Carer

Year 9 Careers Information Start Profile

As part of the Year 9 Careers Day held this week, students were able to access a careers database called Start Profile. This free, online careers programme, is designed to connect 11-18 year olds with their future career potential. The website has many different sections, including information about choosing GCSE options, post-16 and 18 pathways, industry sectors, employability skills, labour market information and much more. During the session this week, students were able to log onto the system and begin an interests questionnaire. If all sections of the questionnaire are completed, a list of suggested jobs will be generated, giving the opportunity to investigate the wide range of careers available.

It would be really beneficial to them if your son or daughter could access Start at home and complete the questionnaire, as well as seeing what else the website has to offer. The website is:
<https://www.startprofile.com>.

If your child would like help with this or further information on possible future careers, they are welcome to come to the careers office in the library where they can make an appointment to speak to me.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.

Miss S Bond
Careers Coordinator
