Dear Parent/Carer

Year 8 Female Role Model Event Monday 11th March Periods 1 -2

As a way of recognising International Women's Day which is being celebrated on 8th March, female students in Year 8 will have the opportunity attend a role model event with the aim of finding out about different careers and being inspired to see opportunities that could be available to them in the future.

The event will take place on Monday 11th March during Periods 1 and 2. Students will meet a number of women who will give them an insight into the careers they have followed and the routes into those professions. Students are encouraged to ask questions and learn as much as they can about the roles in different industries. It will be a chance to think about careers they may not have considered before.

Students should come to the hall after registration so the activity can start promptly at 9.00 am.

I hope this will be an informative and inspirational event for your daughter. Please let me know if you have any queries.

Yours faithfully

Miss S Bond
Careers Coordinator
