Morrisby Online Testing

Dear Parent/Carer

Your son/daughter has signed up to use Morrisby Online Testing and the date for this to take place will be Wednesday 24th April in Periods 3 and 4. Students should come to IT2A at 11.25 am so the test can start promptly. They will receive the results of the test shortly afterwards.

Morrisby Online is a career guidance tool that helps students to identify potential career paths and make informed decisions about their study options. The test takes 100 minutes and will be an online assessment which measures a variety of elements including aptitudes, career interests, work attitudes, talents, motivations, and personality and learning styles. Once the assessment is complete, students will have access to personally tailored career and education suggestions, plus a wealth of careers-related resources, all presented on a dynamic and interactive website, to which they have lifetime access

I have attached the new brochure with some further information about Morrisby Online.

If you have any questions please don't hesitate to contact me

Yours faithfully
