6th September 2019

Dear Parent/Carer

Support for Sixth Form students considering Higher/Degree Apprenticeships

This is a reminder about the Higher and Degree Apprenticeship Workshop being run for Year 13 students who already know that they would prefer an alternative route to university once they have left school and others who are considering it and would like to know more.

This is taking place on Wednesday 25th September and is being run in conjunction with a representative from Amazing Apprenticeships who work with schools to inform and inspire students about the opportunities available and our Enterprise Advisor from BAM Construct.

A number of topics will be covered including:

- The apprenticeship process and how this differs from UCAS
- The newest recruitment techniques employers are using
- What happens on an applicant assessment day?

There are a few places left so if your son or daughter would like to take part, please reply by email by Wednesday 11th September (parentmail@hemelschool.com).

Yours faithfully
