Dear Parent/Carer

## **Virtual Work Experience in October half term**

Young Professionals is a company who work with some of the biggest companies worldwide to connect young people directly to career opportunities (work experience, apprenticeships and graduate roles) through events or online webinar sessions.

Last year they engaged with over 450 schools UK wide delivering workshops and sessions to school students around the world of work and employability.

They are putting together a 3 day work experience program for 6<sup>th</sup> form students during the October half term. They have teamed up with IBM, EY and PwC to deliver an amazing 3 day program for students to get involved with.

Many work experience places this summer got cancelled due to Covid-19 so they want to ensure students are able to get an opportunity to engage with some huge brands, learn new things and begin to build their own professional network for when they enter into the work place.
