Dear Parent/Carer

## **Opportunities for sixth form students**

We often hear of events open to sixth form students such as work experience placements, university talks, employer webinars, open days, gap year opportunities and others. The majority are free activities although there are some where a charge is made. This information is emailed directly to students so they can decide if they want to take up the opportunities. We don't necessarily endorse any of them but it gives students the chance to look into them further if interested.

There is also a full assembly programme for both year groups where speakers talk to students on a range of subjects including applying to university, confidence building, CV writing and apprenticeships. There are also sessions led by The Samaritans, Drug Driving, Herts Young Homeless and other such organisations.

Please could you remind your son or daughter to read their emails regularly and encourage them to participate in some of the events on offer which will help in various ways such as developing their employability skills, build their confidence and enhance their career management.

If you have any questions, please do not hesitate to contact me.

Yours faithfully
