Dear Parent/Carer

Virtual Work Experience for Medicine

Please see link attached for information about a virtual work experience opportunity for students interested in a career in Medicine.

Work experience is vital if a student wants to study Medicine and with physical work experience likely to be difficult to source this year, I would encourage students in Years 10, 11 and 12 to think about applying for this opportunity. Places are limited and will be allocated based on the quality of a student's application.

If you have any questions, please do not hesitate to contact me.

Yours faithfully
