Letter 29

23rd October 2020

Dear Parent/Carer

Scholarship with SACLA

We have been fortunate to have been offered an opportunity for Year 13 students to apply for a scholarship programme worth over £15,000 with Sacla, the food manufacturers who are based in Beaconsfield.

To apply, students need to be planning on studying for a degree starting September 2021 that is linked to food and/or management eg food science, food engineering, food nutrition, business management, etc. There are two places available and this opportunity has only been offered to four schools so students could stand a good chance of being successful.

Please see attached flyer for more details.

If your child is interested, please ask them to contact me as soon as possible so I can arrange a meeting for them to hear more information about the opportunity.

Yours faithfully

Miss S Bond
Careers Coordinator
