23rd October 2020

Dear Parent/Carer and Student

Virtual Post-16 Information Event – Thursday 19th November 2020

You are invited to attend our Virtual Post-16 Information Event. Given the current restrictions due to Covid-19 our Post-16 Information Event will take place on our school website. All information and talks can be found in the Sixth Form area of the website from Thursday 19th November at 6pm. Information will remain on the school website beyond this date and we hope that it will help students to make informed decisions regarding their post-16 study. Information will include welcome talks, subject information (including a talk), our entry requirements, how to apply and a chance to hear from some of our current students.

We will email application forms to the school email account of our Year 11 students on Friday 20th November 2020. Our deadline for applications this year will be Monday 11th January 2021. We would encourage all Year 11 students to apply even if they are currently considering an option other than the Sixth Form. It is important that students keep their options open as much as possible until GCSE results day.

We hope that this evening will be an opportunity to show all that we offer in the Sixth Form and will help you to make informed decisions about your future.

Yours faithfully
