Letter 45

24th November 2020

Dear Parent/Carer

Years 12 and 13 Pathway CTM – Parent Event

Pathway CTM helps students to prepare for whichever career path they wish to take, through their online Pre Employment Programme, workshops and webinars, employer and partner events, as well as news around current opportunities from work experience to Degree-level Apprenticeships.

They also offer Parent and Carer online events plus an informative monthly newsletter, giving an insight into all options available for your child, to help you support them whichever path they choose.

On Thursday 26th November at 6pm they are running a parent event with Accenture, Fidelity and ICAEW, where you will be able to hear from employers about the possibilities open for your children and get the chance to have your questions answered.

Please use the link below to register for this event:

Yours faithfully
