**Letter 11**

13<sup>th</sup> September 2021

Dear Parent/Carer

## **Year 11 Careers Interviews**

Careers advice is an important part of the information and guidance that students receive throughout their school life and the career programme that we offer is wide, varied and designed to meet the specific needs of pupils at different stages. Students are helped in developing the skills to understand themselves, investigate opportunities and plan for transition so they are able to make well informed and realistic decisions about what they want to do with their life.

Year 11 is a critical stage where decisions about the future start to be made and therefore we would like to give all students the opportunity to discuss the various options available after Year 11 as well as any career ideas with either myself or one of our YC Herts Personal Advisors who are Hilary Stephens and Emma Readman. These interviews will take place throughout the Autumn and Spring terms and will be the time for your child to have help with choosing the right path for them.

They will be told about all the options open to them such as 6<sup>th</sup> form, college and apprenticeships and they can also get information and advice about university courses, careers and opportunities available.

Many students will have already spoken to YC Herts in Year 10 but plans do change and we hope these interviews will prove to be an invaluable part of the students' decision making process and will assist in making this transition stage easier. Students who were not able to be seen before due to school closures will be given priority this term.

If you have any questions, please do not hesitate to contact me.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond', written in a cursive style.

**Miss S Bond**  
Careers Coordinator
