Letter 14

16th September 2021

Dear Parent/Carer

Apprenticeship Information Session for Year 13 students

There are several students who already know that they would prefer an alternative route to university once they have left school and others who are considering it and would like to know more.

For these students we are hoping to hold a Higher and Degree Apprenticeship Applications workshop in school. This would be run in conjunction with a representative from Amazing Apprenticeships, who work with schools to inform and inspire students about the opportunities available and our Enterprise Advisor from BAM Construct.

A number of topics will be covered including:

- The apprenticeship process and how this differs from UCAS
- The newest recruitment techniques employers are using
- What happens on an applicant assessment day

We would like to know the level of interest before proceeding with this interactive event so if your child would like to take part, please reply by email (parentmail@hemelschool.com) by Monday 20th September.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.
