Dear Parent/Carer

GCSE Revision Workbooks

As a Faculty we feel that the students will be successful in their GCSE Mathematics exams if they both revise well and get the necessary practice by completing exam-style questions. With this in mind, we have recently purchased guided revision workbooks that are available to purchase. Payment should be made the usual way through our online payment system.

Please note that after the books have been sold we will not be stocking anymore. The books can however be found at similar prices at various retail stores.

The books available and respective prices are as follows:

GCSE (Foundation) Workbook £2.75
GCSE (Higher) Workbook £2.75

Please check with your Maths tutor if you are unsure which workbook to purchase.

Yours faithfully
