23rd September 2021

Dear Parent/Carer

Basketball Coaching

We are delighted to announce the fantastic opportunity for Hemel School students to learn and develop basketball in partnership with Hemel Storm and Russell Hoops!

Basketball is one of the most developing sports in the UK, and is currently the second most played sport for teenagers within the country. With emphasis on speed, creativity and technical skill, all skills that are learnt through basketball can be transferred into many other sports, enabling you to develop in other sports as well.

The sessions will take place in the school Sports Hall between 3.45pm and 4.45pm. The sessions will run every Friday for 11 weeks until the Christmas holidays, with sessions beginning Friday 1st October and ending Friday 17th December. The session **will not** run during the October half-term.

The students should wear their Hemel PE Kit for all sessions.

There will be no cost for these sessions.

If you are interested in your child attending, please complete the linked Google Form below. Please note, completion of this form **does not guarantee** a place at the club. We have a limited number of places available for students so places will be allocated on a first-come, first-served basis.
