Dear Parent/Carer

Life Drawing class Wednesday 17th November 2021

I am writing to inform you of a life drawing event we are holding on Wednesday 17th November from 4pm - 6pm for the Year 12 and 13 Fine Art students. We have managed to secure a really excellent, experienced life model and external tutor for the event; we would really like it if you are able to give your permission for your child to attend this event. The model will be nude, as per the usual setup of a life drawing workshop. Myself and other art teachers will be in attendance and we can assure you this will be a professional workshop.

We will provide all the necessary materials and everything the students produce will count towards their final portfolio submission. We would appreciate a donation of £6 to help cover the cost of this which can be paid on your online facility.

Life drawing is such a useful exercise and is much sought after for interviews for courses post 6th form. Although it is not a compulsory course, we would highly recommend attendance.

If you have any questions, please do not hesitate in getting in contact via email.

Yours faithfully
