Letter 34

11th October 2021

Dear Parent/Carer

The HHEX - Golf coaching sessions at Little Hay

We have organised an opportunity to take 14 students to Little Hay Golf Club to take part in coaching sessions with one of their qualified instructors. **These sessions will run every Monday after school (4pm – 5pm) for a period of 8 weeks. The first session is Monday 1st November and runs weekly until the last session on Monday 12th December.** The aim of these sessions is to introduce students to the game, teach them the fundamentals of the golf swing and hopefully to develop a passion for a game that they can play for life!

Students will be transported to and from the sessions by school minibus and will be supervised by a member of the PE Faculty. The coaching and instruction will be delivered by Little Hay staff. Little Hay will provide clubs and balls (students are welcome to bring their own equipment if they have it). Students can choose to wear school uniform, PE kit or appropriate golf clothing for the sessions. We would recommend that they wear comfortable trainers or golf shoes and warm clothing.

We are targeting this opportunity to students who perhaps haven't already engaged in The HHEX. Students who are eligible for Pupil Premium funding or those who have SEN needs will also be prioritised and the school will fund the cost of their participation.

There is no charge to parents or students for these sessions but we do ask that by signing up students commit to attending all eight sessions. There are only fourteen spaces available and they will be allocated on a first come, first serve basis. If your child wishes to attend you need to confirm by sending an email to j.heward@hemelschool.com giving your permission for them to attend. **The deadline for email confirmation is Wednesday 13th October.**

Yours faithfully

Mr J Heward
PE Department
