22<sup>nd</sup> October 2021

Dear Parent/Carer and Student

## **Year 11 and 13 Trial Examinations**

Please find attached details of the Year 11 and 13 Trial Examinations, which will take place from 25<sup>th</sup> November until 10<sup>th</sup> December 2021. The Art examination will take place after Christmas.

In addition to the timetable for examinations, I attach the regulations pertaining to public examinations, which will be strictly enforced. Please may I ask you to go through these regulations with your child. I would like you to draw particular attention to those concerning mobile phones and conduct in the examination room. Correct school uniform must be worn during this time and students will be attending normal lessons in between examinations and are not on study leave. C1s will be issued to any student who does not bring the correct equipment. No spare equipment will be available.

I strongly recommend that your child revises as much as possible for these examinations, as in some cases the results may be needed in the Summer as in previous years. Please be aware that afternoon exams will start at 1.30pm and may finish after the end of school due to the length of the examination. Students should approach their subject teacher if they have any questions about revision.

GCSE French and German listening exams will take place during lessons. Your teachers will advise you of the time and date of these.

The trial examination results will be issued at the beginning of the Spring term in January and students will have the opportunity to go through results with subject teachers.

Thank you in advance for your continued support. I trust that you will encourage and support your child during this time. If you have any concerns regarding these examinations, please do not hesitate to contact myself, or our Examinations Officer, Mrs Brown.

I wish students all the very best of luck in the forthcoming examinations.

Yours faithfully
