Dear Parent/Carer

Year 12 and 13 Virtual Work Experiences with InvestIN

InvestIN is a London-based organisation led by a group of experienced professionals and provides inspirational career-experience programmes to school students who aspire to break into some of the world's most-desirable professions. On their programmes, they aim to create the 'ultimate work experience' through interactive simulations, seminars, networking sessions, and career coaching guidance

They offer experiences in investment banking, law, medicine, business leadership, architecture, psychology, computer science, engineering, politics and journalism. The events take place at the weekend in the Autumn and Spring terms and there is a cost attached but students at the school do get a 10% discount and there are also bursaries available for eligible students to attend these programmes without charge.

When a student registers for any of the programmes, they will also now gain a twelve month membership to a state-of-the-art tech platform, AmbitionX, featuring unlimited live online weekend and evening programmes.

Please see attached letter from Investin with more information and details on how to sign up to a programme.

Please note: The Hemel Hempstead School is making this information available to parents as an option that may be useful to some students who feel they would benefit from this specific type of careers event. This is not a product endorsement and the school does not accrue any financial benefit from students attending any InvestIn Education activities.

Please let me know if you need any further information.

Yours faithfully
