Dear Student

## **Sixth Form Preview Event**

The information provided in the Sixth Form area of the school website will enable you to make a well informed decision about your future.

Firstly consider all your options including Sixth Form, employment, apprenticeships and college courses. If you are already a student at the Hemel Hempstead School there are many advantages in progressing into the Sixth Form to follow appropriate courses, including continuing your learning with teachers that you know and trust, having the opportunity to develop your leadership skills and to take part in the school's flourishing programme of House and extra-curricular activities. You will remain with your friends whilst those new to the school will receive support to manage the transition to new surroundings. One of the most important benefits of the Sixth Form at The Hemel Hempstead School is the high level of support that you will receive from your teachers and Sixth Form staff. You will be working in a structured environment with high expectations of engagement and success.

The Sixth Form provides challenge and opportunity. Classes are full of students who have chosen to study at advanced academic level and so the atmosphere is focused and purposeful and the pace of learning is quicker. Success unlocks the door to a wide range of options for your future.

**Please complete your application for The Hemel Hempstead School Sixth Form by  
Monday 10th January 2022.**
