Our ASPIRE learning traits and our five core values ensure that all students develop good learning habits that focus on successful outcomes in the Sixth Form. Students are supported by the strong pastoral system that enriches life at The Hemel Hempstead School.

Joining our Sixth Form means you will not only benefit from all the opportunities that come from being part of a large, successful school, but also from the additional opportunities available for leadership and service to the community.

Of particular note are the exceptional leadership opportunities our Sixth Form students have within our thriving House system.

We are committed to supporting the success of every student whether they originate from The Hemel Hempstead School or from another school in the local area or beyond. Close monitoring of progress and individual support gives our students every chance of achieving their ambitions. It is this recipe of striving for academic excellence, belonging to a strong community and provision of enriching activities that makes our Sixth Form such a unique place in which to work and learn.
