Letter 48

2nd November 2021

Dear Parent/Carer

Year 11 Parents Focus Online Event

It is unfortunate that due to Covid restrictions, we are unable to hold the Year 11 Parents Focus Evening in the Hall on Thursday 4th November, as intended.

The information due to be presented during the evening is important in helping parents/carers to support their child over the coming months as Year 11 students prepare for their public examinations. We are therefore pleased to invite you to access this information online via the school's website from Monday 8th November. You will find the information under 'How we learn' and 'Key Stage 4'.

There are five video presentations which include a general presentation outlining the key events, strategies and resources we have in place to help support students in their ongoing preparation for examinations as well as four brief presentations from Subject Leaders who deliver pertinent information, advice and guidance related to revision/independent study in the core subjects and in History, an option subject studied by over half of the year group. There is also an associated document providing important details related to examinations in each of the various subjects which we hope will help you assist your child in their preparations. We advise that parents/carers, ideally along with students, access these resources as soon as possible ahead of the trial examinations which, in the main, begin on 25th November.

Please do not hesitate to contact the relevant member of staff, as identified in the online resources, should you need any further information.

Yours faithfully

A handwritten signature in black ink, appearing to read 'H Bradley'.

Miss H Bradley

Director of Learning linked to Year 11
