Letter 49

4th November 2021

Dear Parent/Carer

Year 13 Trial Exams, 25th November – 10th December 2021

Due to the linear nature of A level exams we are holding trial exams starting in late November.

All trial exams will be held under formal exam conditions. Students will have home study from 30th November to 10th December. Students will only need to be in school for their exams and for lessons, with study periods during the trial exam time spent at home if a student wishes (a separate letter will come out regarding this). Students must sign in using their security badge when on school site for lessons or study periods, and sign out if they have been on site and are going home. It will be assumed that students are off-site for study periods unless they have signed in.

Students have been issued with an exam timetable before the end of last half-term via their school email account. All the information will also be available outside the Exams Office and on the school website.

The library, sixth form café and empty classrooms will still be available for any students unable to study at home during this time.

This is an excellent opportunity for students to test themselves and prepare useful revision in advance of the exam season in the Summer. Students should ask their subject teachers for details about their exams.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Mr P Bryson', is written over a light blue horizontal line.

Mr P Bryson
Head of Sixth Form
