Letter 51

9th November 2021

Dear Parent/Carer

**Year 10 Role Models in Maths Careers Talk
Monday 15th November P3**

Year 10 students will be able to hear a careers talk organised by Founders for Schools during their Maths lesson on 15th November. People who use maths in their career will be talking about their own journey, linking maths in the classroom with maths in the real world. The aim is to inspire and encourage students to see its relevance in the world of work in order to improve their confidence and attitudes towards maths in school. Students will be given the opportunity to ask questions to the business leaders and receive advice on the skills and qualifications that are needed to be successful in today's world.

Students should line up outside the hall, promptly after break, in their maths groups.

If you have any questions or require any further information, please do not hesitate to contact me.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond', written in a cursive style.

Miss S Bond
Careers Coordinator
