Letter 59

25th November 2021

Dear Parent/Carer

Year 9 Future First Workshops

We are very pleased to inform you that The Hemel Hempstead School is working with the education charity Future First to build a thriving alumni community. Amongst our former students are a whole host of talented role models who we want to connect with in order to celebrate their success and inspire our current students. Alumni can be brought back to offer careers and education advice, mentor students, and provide work experience placements and much more.

One of the projects that we will be doing over the next few weeks is a set of workshops run by ex-students and your child is amongst the group of students who we hope will benefit and enjoy these activities.

The first of these is taking place on Tuesday 7th December in P3 and will be a virtual session about jobs and the labour market. Students will hear from volunteers about their experiences after school, will find out about different jobs, pathways and next steps after school and be able to think about the skills needed for the world of work and how they can develop these. There will be another in person workshop in January and I will email you those details nearer the time.

We hope this will be an informative and fun session where students can find out about opportunities open to them when they leave school.

Students should come to M13 promptly at the start of P3 on Tuesday 7th December.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Bond'.
